RESIDENTIAL PERMIT PARKING PROGRAM APPLICATION

The purpose of this application is to enable neighborhoods to initiate the Residential Permit Parking District. This form must be filled out in its entirety with detail information and submitted to:

City of San Bruno
Attn: Public Works Department
567 El Camino Real
San Bruno, CA 94066

Requesting Resident's or Neighborhood Sponsor Contact Information:

Name: _____

Address: _____

Phone Number: _____

Email: _____

1. Please describe the nature of the overflow parking problem in your neighborhood.
 - a. What streets in your neighborhood do you feel are affected by overflow parking?
 - b. How often does the overflow occur?
 - c. Does the impact vary from month to month, season to season, or in any other way?

2. Can you identify an external parking impact generator that is the cause of overflow parking in the neighborhood? Are there any facilities (religious institutions or assembly uses, schools, shopping centers, transit stations, etc.) near the location that generate a high concentration of overflow vehicle parking?

3. Please describe how a Residential Permit Parking District will be able to eliminate or reduce overflow parking impacting the neighborhood. Please include your recommendation for the boundary of the Residential Permit Parking District. The proposed district must have a minimum of three (3) contiguous blocks. The blocks can be in any orientation and must include both sides of the streets.

4. Is there neighborhood support for submittal of this Residential Permit Parking District application? Have you contacted your HOA/Neighborhood Association, if applicable?
